LIFE. HE COMES TO OUR ANNUAL THRU THE
COURTESY OF HIS CREATOR, MR. AL CAPP.

EXAMPLE OF AN ALL-ROUND FELLOW, HAS BROUGHT TO OUR
SCHOOL A KEENER SENSE OF SPORTSMANSHIP AND GIVEN US
MANY HOURS OF ENJOYMENT. YOU ARE A SWELL FELLOW, MR.

ANNUAL STAFF

If you happened to walk by room 7 during the last three months, you probably noticed someone busily working inside monkeying with pictures, writing, or talking with Mr. McSwane.

Or maybe you noticed someone hanging from the rafters by his legs taking pictures. Or maybe someone leaning out from under your desk in study hall to stare you in the eye with a camera.

Well, if you are a freshman you'll learn that these things happen once a year. Don't be scared, it was only the annual staff finishing some last minute work. In the following pages you will see evidence of some of this wonderful work.

CADET MEMBERS

THE DRAWINGS FOR THIS ANNUAL WERE DONE BY A JUNIOR,
VICTOR KIBLER. WE THANK YOU,
VIC.

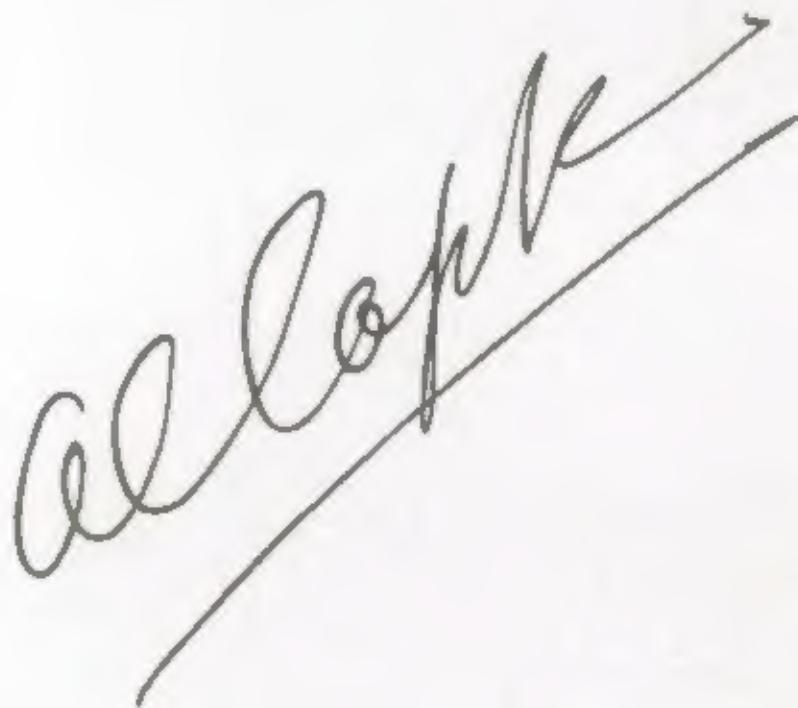

These underclassmen—Bob Hubbard, Lon Cleaver, Bob Worcester, Glen Sunderland, and Bob Scott assisted in the photography work for the 1941 Nu-Kom-I. Thanks, boys!

Dear Mr. McSwane:

You have my permission to use
LIL ABNER drawings for your
annual and my blessings upon
the project. Will you send
me a copy?

Sincerely

A handwritten signature in cursive script, reading "Al Capp", is written diagonally across the page. A thin, straight line extends from the end of the "p" in "Capp" upwards and to the right, ending in a small arrowhead.

M. B. PLATZ, Our Principal

A MESSAGE FROM OUR PRINCIPAL

I am deeply indebted to several groups of people for their help in making 1940-41 a very successful year at N. C. H. S.

Among these groups I particularly want to mention:

1. The student body—some 375 Young Americans for whom the school exists: a really swell group of boys and girls, not perfect, of course, but very responsive to proper guidance.
2. The faculty and office secretary—seventeen men and women well equipped by training and experience, who have been very cooperative and willing to work for the good of the students.

3. The custodians and caretakers of buildings and grounds, whose work in keeping the physical plant in good condition is all too often undervalued.
4. The Board of Education—the representatives of the people—who are always searching for ways and means to improve the school.
5. All the people of Newton and surrounding community, who are anxious and willing to provide educational opportunities commensurate with needs and abilities.

These groups working together have succeeded in making 1940-41 a very good year for N. C. H. S. You have been very gracious to me and I do sincerely thank you for your help in making my first year with you so very pleasant.

M. B. PLATZ, Principal.

KATHRYN KINSEL, HIS SECRETARY.

BOARD OF EDUCATION

To them we extend our sincerest appreciation for their aid. They made our school life possible just as A Capp made Li'l Abner's possible.

CLASSES

SENIORS

This year concludes the story of a group of boys and girls who were very green when school began in September, 1937. That year we chose Frances Houser, Wayne Lee, Catherine Dohm, and Dorothy Mae Warren as class officers. Miss Batman was our class sponsor.

As sophomores we held our annual pencil sales and sponsored an all school party. We elected Dick Worcester, Wayne Lee, and Eldon Wakefield class officers. Mr. Gruenewald did the necessary advising.

The next year, returning the favor to us, we elected Dick Worcester, James Laugel, Marie Utley, and Catherine Dhom. Under the guidance of Mr. McCormack, we gave the departing seniors a Hawaiian banquet complete with pineapple-juice and grass-skirted Hula-Hula dancers.

Now as seniors we again chose Dick Worcester as president; Howard Riley, vice president; Neva June Portlock, secretary; Norman Nicholas, treasurer; and Mr. Young, sponsor.

THE MORNING OF CHRISTMAS

Twas the morning of Christmas and all through
the air,
Shafts of delight could be heard everywhere.
I flew down the stairs and raced to the tree,
To see what old Santa had left there for me.

"Oh! A big Baby Dolly!" I squealed with joy.
And a little red wagon, my favorite toy.
But wait! What was that in such a big box?
Which I could see, was too big for my size.

With trembling fingers and shining eyes,
I tore open the box and peered inside.

"Oh! The beautiful thing!" I cried in glee,
For it was a tricycle; especially for me.
My mamma warned me, "Be careful, sweet!"
But I eagerly climbed on the little red seat,
And rode back and forth, and then into the hall
With mamma following me, for fear I would fall.

Christmas eve is nice in a way,
But the morning after, is a wonderful day.

We juniors are preparing for the last lap of our schooling in Newton Community High School. It is with some feeling of superiority and yet with a tinge of regret that we look back on our preceding years as freshmen and sophomores.

How well we remember that first important year when Miss Jacobs helped us struggle through, assisted by the following class officers: president, Virginia Ann Graham; vice-president, Victor Kibler; secretary, James Rubsam; treasurer, Billy Erwin.

With the greenness rubbed off to a degree, we entered our second year with high hopes. We elected Mr. Johnson as class sponsor; William Lobmier, president; Lon Cleaver, vice-president; and Gien Bussard, secretary treasurer.

This year we chose Miss Bette Lou Bails as our sponsor. Our officers are: president, Lon Cleaver; vice-president, Ray Weber; secretary, Irene May; treasurer, Mary Jean Warren. This is the year in which we prove whether we, as a class, can hang together and produce good results. We worked madly all year at our candy and coke sales in order to give the seniors the "best ever" banquet.

IT COULD HAPPEN TO YOU

A wild clear cry burst on the air.
In haste we left the spot.
He ran his best.
I did the rest.
Though t'was extremely hot,
His nose was battered into ruin
By a straight right to the snoot,
While his nose bed
Away I fled,
With him in warm pursuit
ran that race with graceful speed.
He could not look forlorner,
kept ahead,
While he saw red.
Til I shot 'round a corner.
There at the turn some gravel lay.

'Twas placed there 'way last spring.
I took a slide,
Fell on my side,
And wild, weird words did sing.
He grasped me by the collar,
And then for quite a spell
Fists flew in air,
And so did hair.
He beat me up quite well.
It doesn't pay to pick a fight.
For you may be the mourner.
For after all
You're apt to fall
While fleeing 'round a corner.

WHEN SCHOOL IS OUT

A bell rings, and people pour out of classrooms. School is out. Someone yells, "Blitzkrieg", and plows through the stream of girls trying to get to their lockers. Someone, who has a lower locker (and may the Lord help them), tries to kneel in a praying position at her locker but finds it impossible. She is flattened against her locker as flat as the democrats would have felt if Roosevelt had not been re-elected.

Amid scratching, scrambling, stomping companions, several manage to get to the front or back door [whichever is convenient] looking very much bedraggled and feeling worse.

F. F. A.

The Future Farmers of America, under the leadership of our new agriculture instructor, Mr. Walker, elected the following officers for the past year: president, Wayne Jones; vice-president, Francis Hall; secretary, Marion Crouse; and treasurer, Lendell Clark.

The major event was the district F.F.A. corn husking contest in October. Nineteen schools participated. The winner was a Hutsonville boy.

The chapter took a minor trip to Olney in January to witness a regular meeting of that

chapter and to take part in basketball games. After that trip, the Ag. room was arranged so that official opening and closing ceremonies were conducted every other week.

The machinery in the seed house was repaired and a new seed cleaning business started. The business increased rapidly.

A pest riddance contest was sponsored with a prize being given to the team which killed the most pests. Many farms had fewer mice, rats, and sparrows when the contest closed.

NATIONAL FORSENIC LEAGUE

To be a member in the National Forensic League one must have at least 20 points. The points are given for the degree of merit. After 50 points, the student receives the degree of honor; after 100 the degree of excellence; after 150 points the degree of distinction.

Our active members are Margaret Tobias, Helen Sinclair, Nadine Fricht, Wyly Milner, Genevieve Harris, Eileen McCormack, Burrell Shull, Robert Worcester, Roger Hubbard, Carol Bevis, B. Contw and Glenn Sunderland. Our officers are: president, Eileen McCormack; vice-president, Bob Hubbard; secretary, Glenn Sunderland; treasurer, George Bevis.

DEBATE

The question for debate this year is, Resolved: That the powers of the federal government should be increased.

At the beginning of the year our debate club had 5 representatives from the freshman class; 11 from the sophomore class; 1 from the junior class; and 2 from the senior class. Outstanding among the freshmen were Helen Sinclair, Nadine Fricht and Wyly Milner. Although this was their first year, they made very active progress.

This year we participated in tournaments at Terre Haute, Olney, Casey Decatur, Vandalia, Mt. Carmel and our own 3rd annual non-decision tournament.

The varsity negative team consisted of Burell Shull and Eileen McCormack; the affirmative of Bob Worcester and George Bevis.

This year the state district tournament was held at our school.

RADIO CLUB

The radio club is a new and successful organization in the school. Its officers are Edison Clark, president; Lorraine Mulvaney, vice-president; D. Worcester, secretary; and Mr. Newsom, treasurer.

The purpose of the club is to educate the members in radio, so that they can pass the examination that they may be amateur licensed amateurs.

At the first meeting they set out to purchase a receiver and transmitter, a tape machine, a bug, and a transmitter. In October they have secured a receiver and transmitter.

The club meets once a week to practice code and read about the functions of radio and the federal communication commission laws.

DRAMA CLUB

The Drama Club of 1940-41 started by dividing the club into three groups each to present a one act play later in the year. For the production of these plays several committees were formed with each person choosing the committee he or she liked best. Also everyone prepared a reading to give for the club.

On February 8 a group went to a contest at Charleston T. C. winning some second and third place.

On March 4 three one act plays were given. Among the plays cast selected from the Drama Club were Mr. Weatherman's Secret given by the faculty and Wit End given by students selected from the whole school.

The school district contest at Marshall on April 5 found Newton well represented. On the 19th of April NCHS was host to the district speech contest.

The officers for the year were Geneva Harris president, Dorothy Mae Warren vice president, Helen Romack secretary, and Ruby Miner treasurer.

HOBBY CLUB

The object of Hobby Club is to encourage the boys to work with their hobbies. The club is very popular among boys. At the beginning of the year there were approximately 130 boys out. This number had to be decreased to 75 as there were too many to work with. There was a different group meeting every day during the activity period.

Some of the projects were: punch metal, miniature projects, such as miniature cedar chests, and general wood working. This year in the spring as

a collective project the boys built bird houses and put them in the new park.

One distinct advantage of the Hobby Club is that it keeps those graduated from the shop still interested in the work, and also gives the handicapped boys a chance to keep up with their regular work.

The club enjoyed a fishing party during May. The officers elected for the year were: president Edison Clark; vice-president, Djane Sims; secretary treasurer, Don Ward; sponsor, Mr. Young.

This year the Nu-Kom-I news staff contained very few experienced people. At the beginning of the year they elected Bill Lobmier, editor; Dale Wyatt, assistant editor; Victor Kibler and Raymond Ochs, art editors; Charles Schackman, business manager; Neva June Portlock, Margaret Brattin, and Mildred Bogard, typists; and Miss Lucile Bayles, sponsor.

The Nu-Kom-I News is published every two weeks. They also see that each week the two local papers receive news from the high school. They deserve much credit for the good work they have done this year.

CAMERA CLUB

The Camera Club was organized according to the rules and regulations specified by the Eastman Kodak Company which has a school camera service. The object of this club is to promote interest in photography and to improve the work of the individual members.

The officers of this club are: president, Dick Worcester; vice-president, Dan Ward; secretary treasurer, Bob Hubbard.

Time of meeting is during the activity period. On Thursday the entire club meets for a discussion and demonstration. On the other days of the week, the club is divided into small groups and actual work in taking pictures and the development of the pictures is carried on.

Some new equipment in the way of better lights has been added this year, making it possible to get better results with the photography.

Mr. Williams, the sponsor of the Camera Club, is very much interested in the club and spends many hours at noon, after school, and Saturdays working with various members of the club.

CHORUS

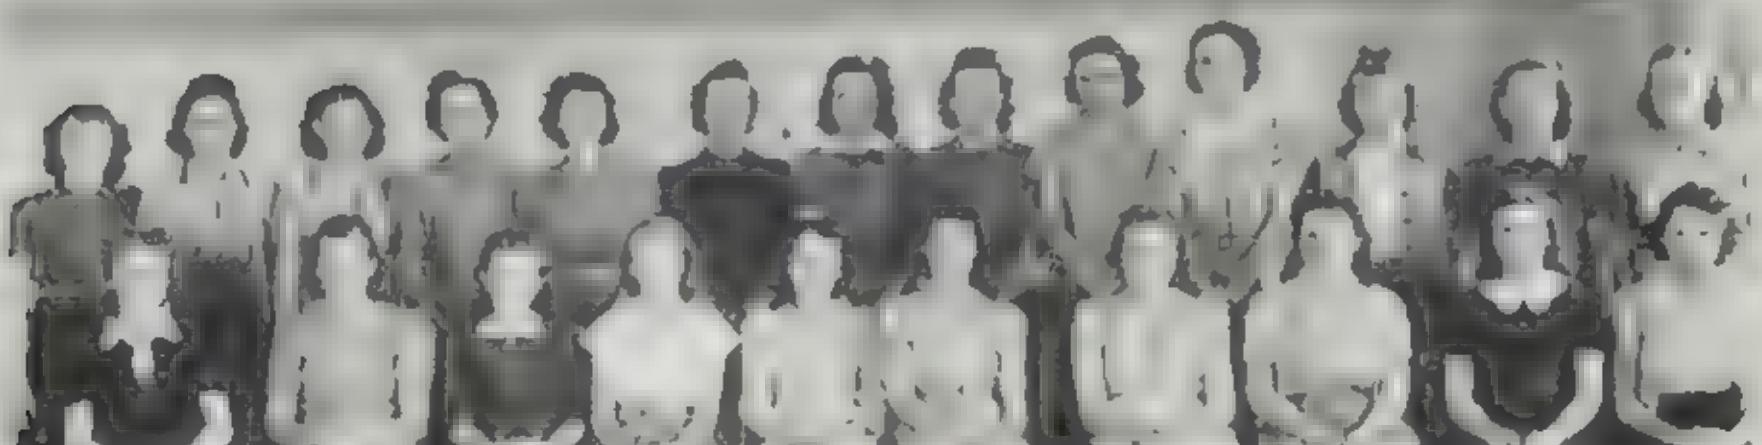

The Chorus under the direction of Mr. Farnsworth with Elvora Martin, soloist, numbers 177 members, seventy-two members.

They appeared first before the 1st and 2nd year on Friday, February 12, 1926.

We are proud of the large number which came to us this year. The chorus hopes that with a little more practice and a few more boys, they will really accomplish something.

PERSONAL DEVELOPMENT

The girls under the supervision of Mrs. Clegg for the first semester and Miss Flori, their sponsor, have earned some very valuable facts about manners.

Among the most important events of the year was the winning of first place in the best decorated car in the Homecoming Parade. They donated two very interesting pieces of art to the school library.

Valuable rules of conduct were evidenced at the sponsor's home at the Christmas party by the good behavior and proper party manners of the club members. They say that "Manners are not meant for party wear, but are valuable in everyday life and practice," so the club practices mannerly conduct daily.

The band has steadily been improving under the direction of Mr. R. J. Shimp, and now boasts 62 members.

Each Wednesday night for ten weeks last summer the band played a concert in the court yard on its improved band stand. We again received the contract for the Jasper County Fair "job" and were invited to the State Fair, where we won the Governor's Trophy for class "B" bands.

The band appeared at all football games. In the Homecoming game, between Newton and

Chariton T. C. Chester, the Newton Grade School bands, each participated at the half in a formation of one hundred and thirty-five participants. We were also invited to the Chariton Homecoming in which we were one of sixteen bands which marched in the mile long parade.

The basketball band due mostly to a limited amount of space, was a picked group of approximately twenty players, who were under the direction of Howard Riley throughout the season.

BAND

Chariton T. C. Chester band room has been equipped with risers to elevate each receding section. More new seats have been added this year, due to the increase of players and interest in our band. We, the members of the band, sincerely wish to congratulate our director, Mr. R. J. Shimp, upon the excellent work and progress he has made. We certainly wish him many more happy years in our school and a first place contest band in the near future.

S P O R T S

This year our season was sprinkled with both defeat and victory. In the first game we lost to Con we were defeated by a score of 10-0. However, in the next game our boys came into their own and defeated the strong Palestine eleven, one of the strongest in the E.I.

FOOTBALL

We were then defeated in a series of close games, at home, by C. and Robinson. On October 13th we won our first game at stripe and tie 13-0. Mortons' team beat us 13-0. The next game was at Charleston; after a hard game the score was tied 13-13. In the last game of the season the boys put up a strong fight against Casey, but they finally lost, 13-7.

Although our season had its share of defeats, without a doubt the student body owes a debt of gratitude to Mr. Fox and his boys.

FOOTBALL

SMITH (Freshman)—BILL, although only a freshman, showed the boys he knew what it was all about. He played some very good defensive games—especially the Olney game, and should be playing regularly for the next few years.

DUFRAIN (Senior)—FUZZY, to the rest of the boys, was one of the most spirited players ever to appear on the local field. He played a game meant for big fellows. His fighting spirit and his "never say die" attitude will long be remembered down through the seasons. He was picked on most all-opponent teams and rightly deserved the honor.

BEVERLIN (Senior)—"BUCKSHOT", although hampered throughout the season with injuries, played some excellent football. His hard driving and hard tackling enabled him to stand above the others when the going got tough. His shoes will be hard to fill when next season rolls around.

GIRHARD (Freshman)—PAUL, in his first season of football, showed ability and determination in his every action. He took over the varsity center and made a very creditable showing with a responsible position. His vicious tackling and blocking marked him as an apt and capable player.

SUNDERLAND (Sophomore)—GLENN, although lacking in experience, showed that he had a thorough knowledge of football by quarterbacking the team through most of the season. With added experience and size he should make an excellent field general for next season.

McFARLAND (Sophomore)—JESSE, a hard fighter if there ever was one, made an important addition to the line. His spirit was one of the best and he was always in the thickest of every fight. He should be a regular of the best kind next season.

DEIL (Senior)—DANNY, student manager.

WILSON (Junior)—"RED", to his team mates, was one of the best linemen in the conference. Opponents soon learned to avoid his side of the line and several schools named him on their all opponents teams. "Red" was unanimously chosen for captain before nearly every game.

WAGNER (Junior)—GENE, in his first season of football, proved to be one of the mainstays of the forward wall. His theory was to drive through the offensive line, upsetting everything in his way, until the ball carrier could be reached. When better holes are made, "Gene" will make them.

OCHS (Junior)—RAYMOND was what we might call an apt student of the game. He came to

us from Ste. Marie only this year and in this short space of time became an excellent tackler and pass receiver. If Ray continues to improve next year he will undoubtedly be a standout in the E. I. League.

JONES (Junior)—"WAYNE", compelled to stay out of the lineup until toward the end of the season because of an injury, gave one of the best exhibitions of pass grabbing that the locals have seen in many years. Opponents described his ability as positively uncanny. Long passes were his specialty.

BROOKS (Junior)—KENNETH, one of the lightest linemen in the league, was the personification of a fighting avalanche. His ability to upset rival linemen proved the adage of "Bra ns over Brown".

HENDERSON (Senior)—MAURICE in his first year out for football, showed great improvement during the season. Handicapped by inexperience but willing and aggressive, he made a very impressive showing.

WAKEFIELD (Senior)—DALE, inexperienced in varsity competition, became one of our stwarts in the defensive line. His size enabled him to drive over most opposition and to inflict great damage to opponents' backfields. He will be greatly missed next season.

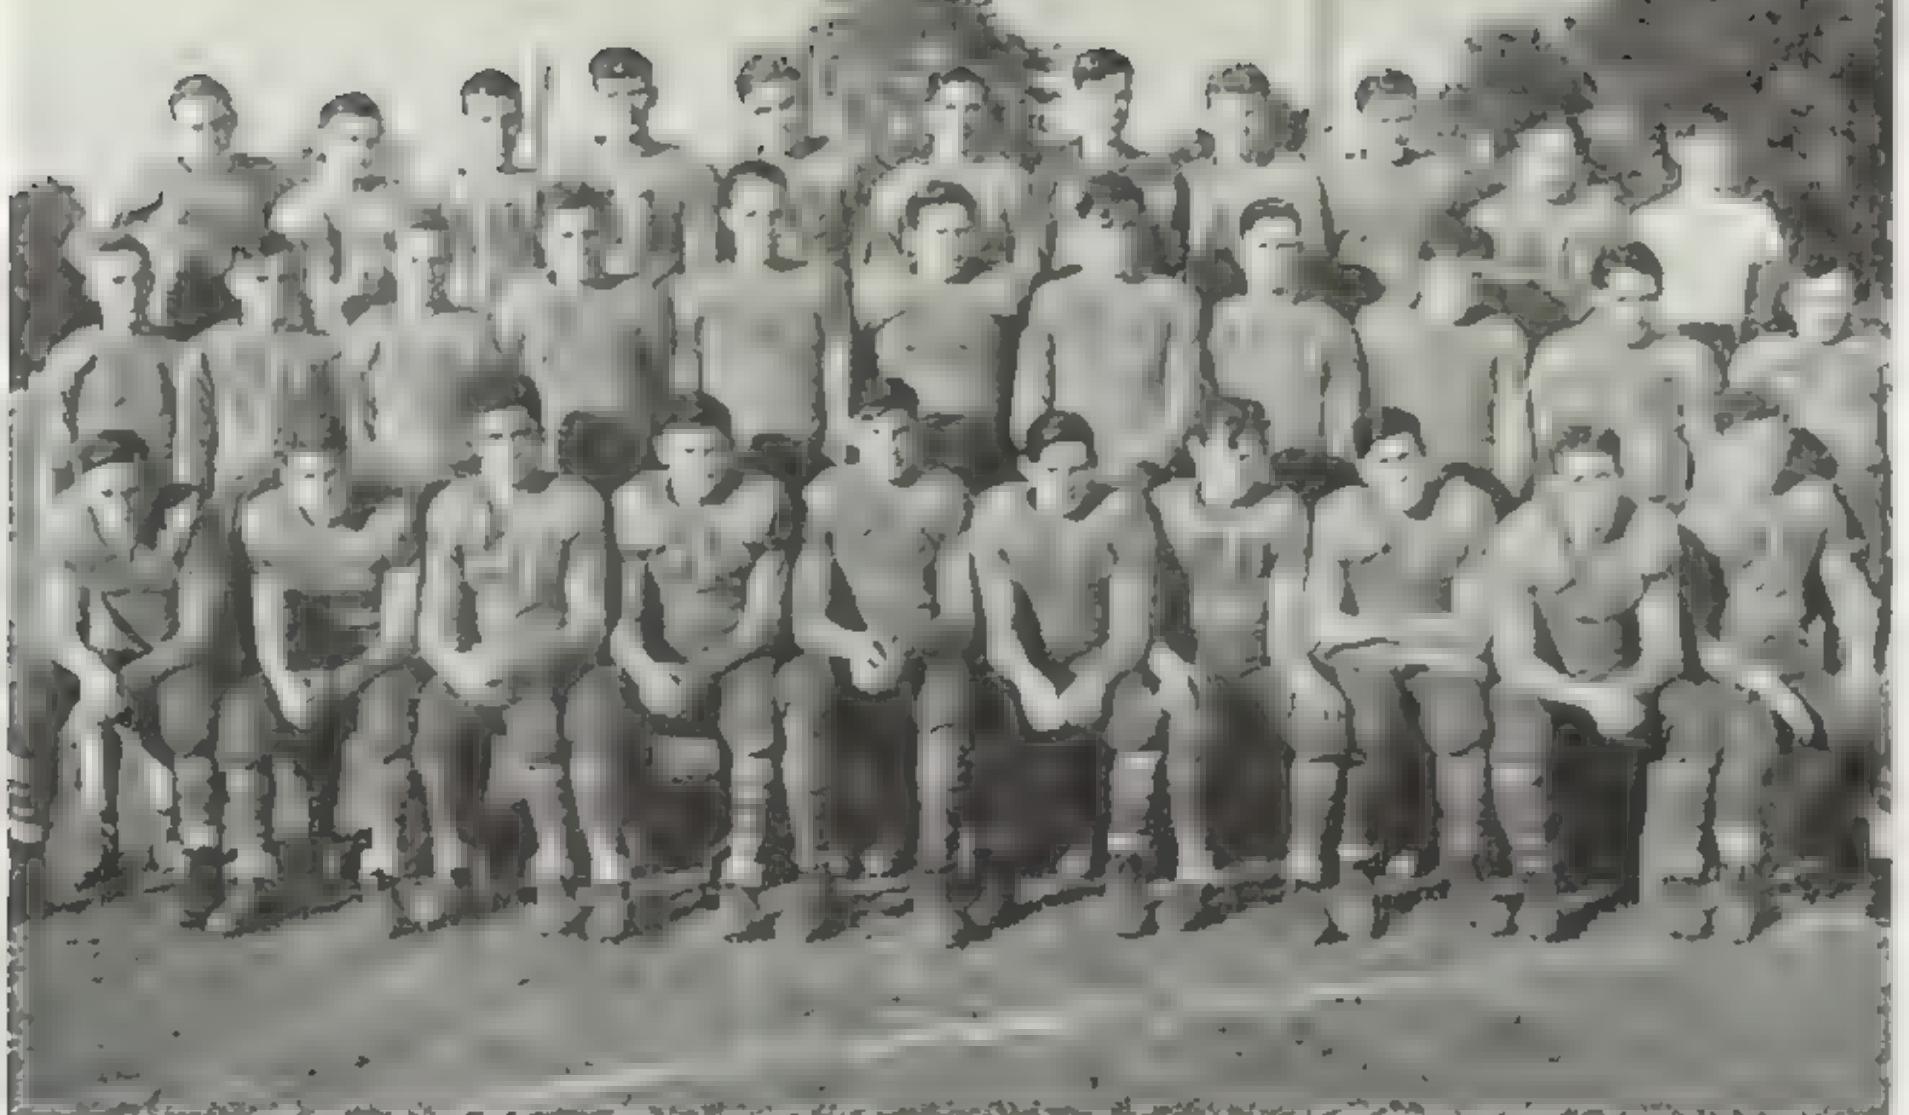

FLANAGAN (Senior)—JOHN, in his second season as varsity center, was dangerous both on offense and defense. His ability to pass effectively under pressure made him one of the best centers in the conference.

SNYDER (Senior)—RAY, a regular end of last season, became a very efficient blocker and was able to hold down quarterback and fullback spots during this campaign. His excellent punting was second to none; hence he was able to kick out of many dangerous spots.

LAUGEL (Senior)—"MOUSE" to his friends was the only experienced back who was able to play throughout the season. His runs were thrilling to watch because he drove hard and was able to follow interference very well.

YOST (Senior)—SAM was a willing and apt student of the game. However, lacking in experience, he showed spirit and fight when under fire and was what you might call 'reserve power.'

UTLEY (Senior)—"BILL", in his first season of varsity competition, played some excellent football. Although not a regular all season he played best when needed most. The old adage "A team is only as strong as its reserves", was ably demonstrated by "Bill".

FOOTBALL COACHES

Here are our two coaches, Mr. Everett Fox and Mr. Stuart Newson. Both of these men have expounded much energy in providing our school with a capable football and basketball team. The student body owes a debt of gratitude to these two men. Thanks a lot for giving us so many enjoyable football and basketball games.

BASKETBALL

This year we had only two regulars back from last year. They were Dufrain and Jones; but out of the total of 50 prospects, Mr. Fox constructed a very good team.

The season opened with a bang when we defeated our old rival, Oblong, by a score of 34-20. After that we were dealt defeats by Neoga, Hutsonville, and Casey. But then in the next game we defeated Greenup's strong team. All during

the season we have maintained an average of 500% or more in the E.I. League.

This year the school purchased the new style backboards adopted by the Illinois High School Association. Only 37% of the old style backboards are in use today.

One of the outstanding features of our season was the fact that Newton was the only team to lead Palestine at the half period.

N. C. H. S. CHEERLEADERS

The student body owes a debt of gratitude to the cheerleaders who did a great deal in peping up the spirits of N.C.H.S.

BASKETBALL BOYS

SNYDER (Senior)—Snyder's height was a great asset to this year's team. He was one of the best rebounders in the E. I. Conference, and when the going got tough, Snyder got tougher. He will be missed very much next year.

BUSSARD (Junior)—This was Bussard's first year in varsity competition. He was very good on his long shots; this determined the outcome of many games. He should be an even more valuable player next year.

DUFRAIN (Senior)—Dufrain, small in stature, but making up for it in speed and fight, was one of the best floormen in the conference. His accurate passing and fighting spirit will be conspicuous by its absence next season.

FRENCH (Senior)—Garold was a very speedy forward and very accurate on his shots from the side of the floor. He was one of our best men on defense, and was always in there fighting no matter what the score was. "Little but Mighty."

RESCH (Junior)—Showed up very well as a reserve forward and guard, proving very valuable at either position. He has a very good eye for the basket and this year's experience will be a great asset to him next year.

JONES (Junior)—Wayne was the leading scorer on this team. He was valuable to this year's team because of his height and one-handed pivot shots. Since he is a junior, he should be an outstanding center in the E. I. League next year. He was placed on the second all-tourney team at Casey, distinction in itself.

A certain little curly haired youngster is to be seen most any day now looking at trucks. Can it be that he is going to provide trucks for his girl friend's father's trucking service? Could be!

HOMECOMING

On October 18 the third annual homecoming was held as a day set aside for the graduates of our school. It is a day that has many highlights of interest for all of Newton.

The first feature of interest was the parade led by the band. The parade consisted of floats made by different classes and organizations of our school, decorated cars, and students. First prize was won by the senior float which represented the football field in miniature.

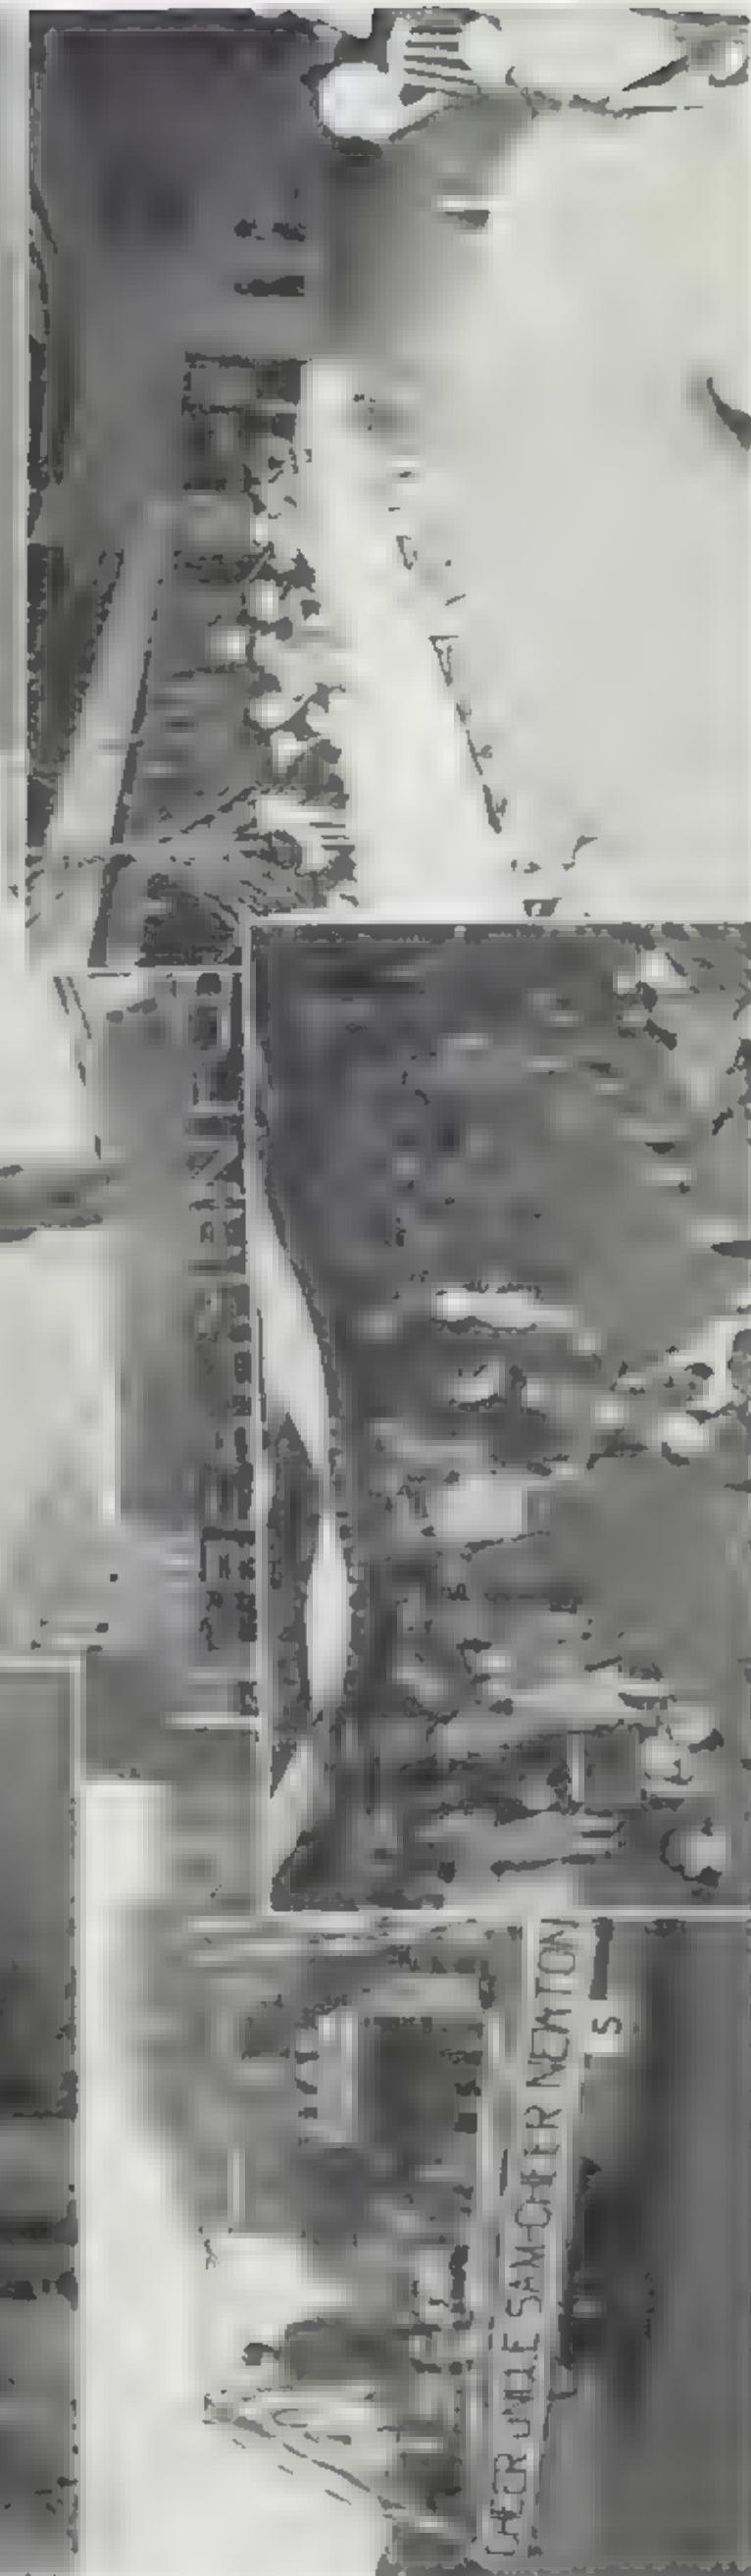

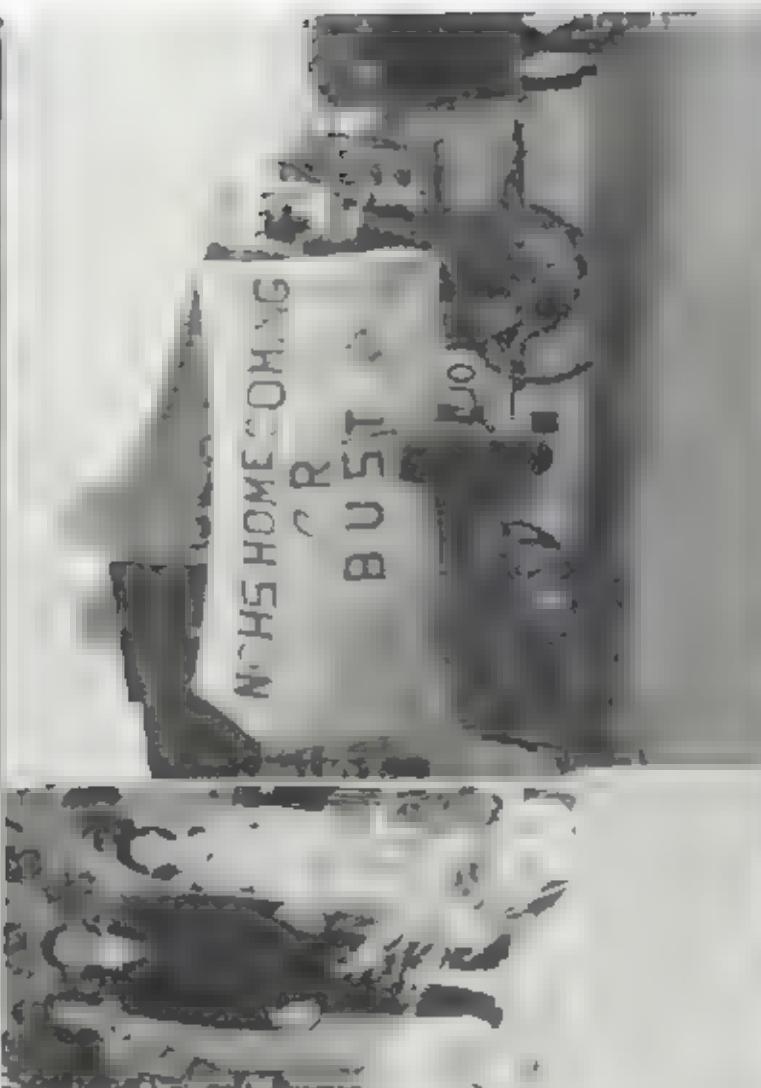

At 5 o'clock the Alumni Banquet was held. The main speaker of the evening was Mr. E. O. May, an alumnus of our school who now is connected with a teacher's placement bureau. At this time the alumni officers were chosen as follows: president William E. Schackman; vice president, Lea Koontz; treasurer, Florence Clarke; corresponding secretary, Emma Jane Gruenewald; recording secretary, Isabelle Kasserman.

The next point of interest was the football game between Newton and Charleston T.C. During the half the spectators were entertained by both our band and also T. C.'s.

At ten o'clock the homecoming dance began. Here the homecoming queen Genevieve Harris, and her attendants—Theima Shamhart, Coletta Emmerich, Irene May, and Alberta Parker—who had been chosen by the votes of the student body, were presented. Ray Snyder, as football captain, crowned the queen.

For the occasion the gymnasium was beautifully decorated by students under Miss Jacob's supervision.

INNOVATIONS

To increase the smoothness of our school's daily functions, it is necessary to add new equipment. This year a new educational means, visual aid, has been introduced into our school. Visual aid is under the direction of Mr. Williams. It consists of a loud speaking system and a movie projector. The speaking system provides music for the school's social functions, and this year at Christmas, carols were played during the evening.

This year we also added a new football score board. Through the activities of our Student Council a new glass covered bulletin board has been obtained. Our trophy case has seen additions during this year. It holds the proof our school's ability in extra-curricular activities.

A. Parker—"Dearest, will you love me as much in August as you did in April?"

D. Worcester—"Honey, I'll love you more because there is one more day in August than in April."

Mrs. Westendorf—"Marianna, were you entertaining Scotty in the living room last nite?"

Marianna—"You'll have to ask him. I was doing the best I could."

Mr. Westendorf—"Young man I'll teach you to make love to daughter."

Max—"I wish you would, old boy, I'm not making much headway."

Bob Worcester—"And did you say you became a great orator?"

Professor Eileen McCormack—"My boy, I began by addressing envelopes."

Marguerite Faller—"Have you ever been pinched for going too fast?"

Diane Sims—"No, but I've been slapped."

Mr. Gruenewold—"Snyder, why don't you answer me?"

Snyder—"I did, I shook my head."

Mr. Gruenewold—"Well, I can't hear it rattle clear up here."

Lois calls Barney "Pilgrim" because every time he calls he makes a little "Progress."

The reason many an old rooster crows before anyone is up is because he doesn't dare open his mouth after the old hen awakens!

First Little girl—"I have two brothers and one sister."

Second little girl—"I have two sisters and one brother."

Third little girl—"I have no brothers and no sisters but I have two papas by my first mama and three mamas by my second papa."

"So you don't want the green dress?" asked the clerk.

"No, ma'm," replied the large woman of dark complexion. "Ah suttin' don't. Honey, ah'd look too much like a ton o'coal in a lettuce patch."

A negro minister was caught hugging one of the sisters of his flock, and a church inquiry was called. Witnesses testified, and the minister confessed but defended his actions as proper and authorized by the Bible. He maintained that as a pastor of the flock he had a perfect right to take one of his lambs in his arms. When the inquiry was finished, a brother offered a solution: "We excuse brother Johnson from all blame, but hereafter when he wants to take one of his lambs in his arms we suggest he select a ram lamb."

Wife (to late returning husband): "Is that you, John?"

John—"It'd better be."

Pardon Me

"Paul is the most bashful man I ever married."

"What makes you say such a thing?"

"He took along mistletoe on our honeymoon."

Officer—"Are you married or single?"

Applicant—"Married."

Officer—"Where were you married?"

Applicant—"I don't know."

Officer—"You don't know where you were married?"

Applicant—"Oh, I thought you said why!"

Ain't It The Truth

Some fellows start right in the rut,
While others head the throng,
All men may be born equal, but—
They don't stay that way long.
There is many a man with a gallant air,
Goes galloping to the fray;
But the valuable man is the man who's there
When the smoke has cleared away.
Some "Don't get nothin' out of life"
But when their whines begin,
We often can remind them that
They "don't put nothin' in."

Especially do we wish to thank the man who made this book possible, our adviser, Mr. McSwane. Through his effort we have been able to prepare and present this 1941 edition of the Nu-Kom-I.

Photographs by Spieth Studio, Olney, under the personal supervision of Mr. Fred Spieth.

Designed and engraved by Indianapolis Engraving Co., Indianapolis, under the personal supervision of Mr. Robert A. Loewer.
